

Directions for making your “All About Me Bag”

1st – Color the bag and backpack parts

2nd – Cut out the backpack parts

3rd – Time to glue! Follow this order:

a – backpack straps onto the back of your backpack

b – pocket onto front – remember to only put glue on the two sides and bottom of the pocket

c – the button (optional) and label

d – the handle

4th – while the glue is drying collect your items and fill in the information page
